Sermon Notes

The Disciple's Mission
Scripture - John 4:1-42
Jesus' interaction with the Samaritan woman illustrates how true disciples of Christ embrace His mission. Simply put, God expects followers of Christ to participate in His work to take the gospel to the ends of the earth. We can engage in God's mission when we recognize the way four realities interact with one another

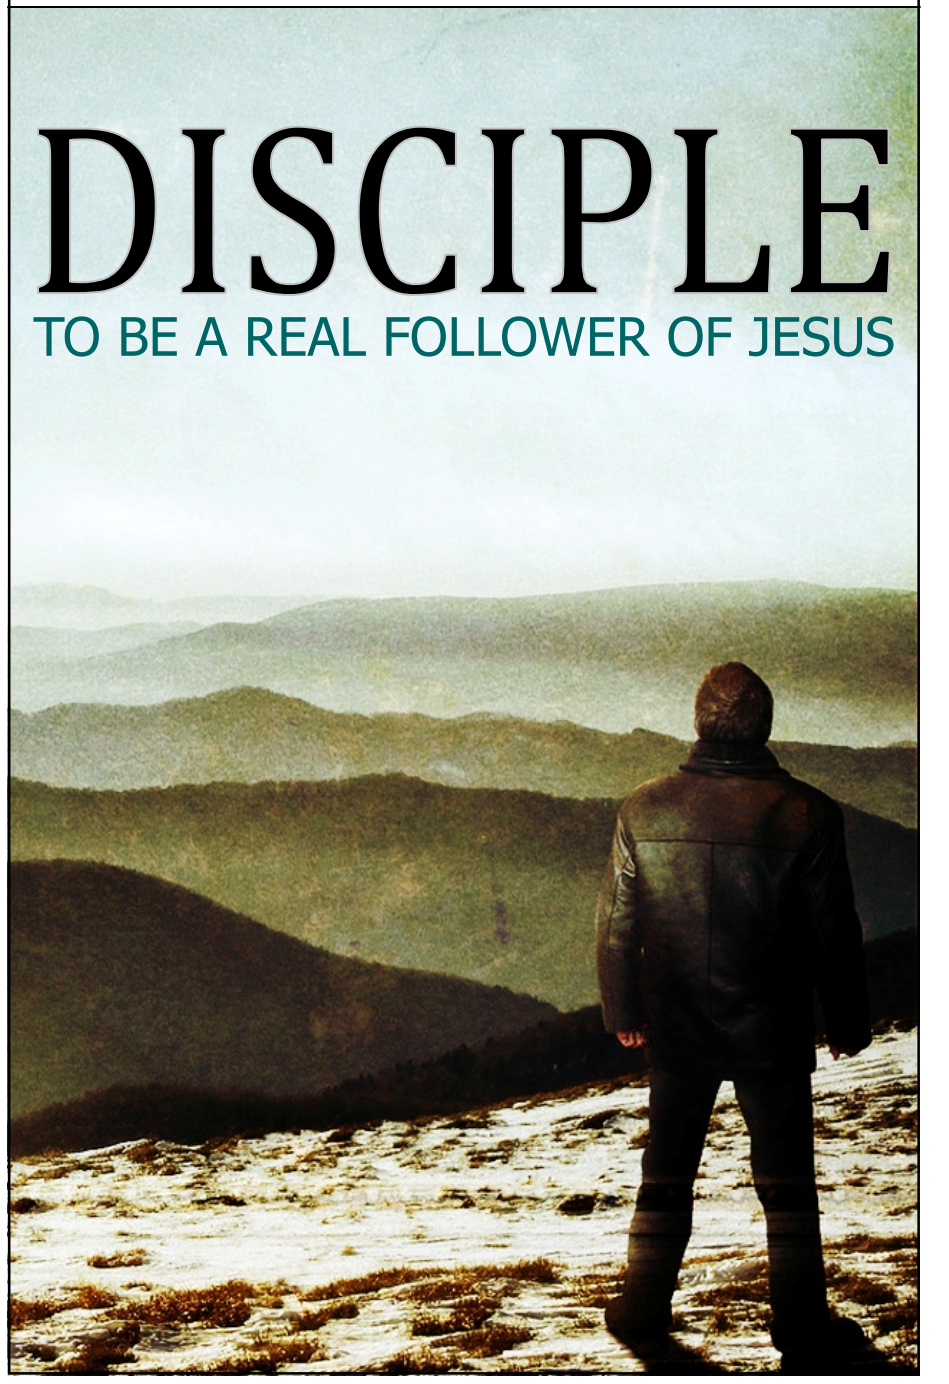

- 1. God's divine
2. Christ's transforming
3. Our life-consuming
4. People's prepared

"Let your light so shine before men, that they may see your good works, and glorify your Father which is in heaven." Matthew 5:16
