

PENNIES TO PESOS

Our preschool will collect loose change throughout the school year to send to two missionary families. Both of these families have strong ties to Tabernacle Baptist Church and are committed to sharing God's love with the people they work with. You'll find a little more information about them below.

Each class will have a jar to collect loose change. Bring it in as often as you like. At circle time the children will be cheering and encouraging each other every time someone makes a donation. When the class jar is full, they will dump it in a big jar, have a celebration and start all over!

Doug and Darla Millar

are missionaries in Playa del Carmen, Mexico. The Millars were members of Tabernacle Baptist Church for many years. Their family was very active at Tabernacle and Doug served as Youth Pastor before they were called to become missionaries in Mexico. They first served in Mexico by launching a bilingual purpose driven church in Cancun. They now serve in Playa del Carmen and the Mayan village of Chan Chen. You

can find out more about what they do by checking out their church's website www.gcfmexico.com or by following their blog at dougmillar.blogspot.com. They are also on Facebook at <https://www.facebook.com/doug.millar.9>

Adam and Cori Willard

are missionaries serving in Kampala, Uganda. Adam grew up in Tabernacle and was very involved in all the activities for children and youth. Adam and Cori have two little boys (Cruz, age 12 and Javan, age 11) and two little girls (Zemi, age 5 and Shiloh, age 3). They are training and supervising 48 missionaries in Uganda.
